Dear Families of Our Elementary School Students,

Our Helena Public Schools are the heart of our community. With excitement and pride, we strive every day to create safe, caring, and academically enriching experiences for all of our children.

I am a proud product of our Helena Schools and my own children who also graduated from our school system are leading successful and productive lives thanks in part to the solid academic foundation and lasting relationships built while attending our schools.

I have an enormous amount of gratitude for the teachers, paraeducators, administrators, and the entire support staff for what they give each day. At the center of a successful educational journey are the relationships we build with not just our students, but also with their families. I want you to always feel welcome to reach out to your child's teacher or principal if you have any questions or concerns. Our teachers and principals are dedicated to ensuring your child is safe, cared for and academically successful.

We know as you send your little one off to school each day that you want them to be safe and loved. We also want to give your children everything they need to be prepared for life.

Thank you for sharing your children with us!

Respectfully,

A handwritten signature in black ink, consisting of a stylized 'B' followed by a long horizontal line that ends in a small flourish.

Brian Cummings  
Assistant Superintendent PK - 5

## **Student Rights**

### **Declaration of Student Rights**

Helena School District No. 1 has high academic expectations for all students. The District is committed to providing all students an excellent, well-rounded educational program. With this commitment in mind, the District sets forth the following: all students are provided the opportunity to obtain a basic body of understandings, attitudes, knowledge, and skills needed for living in a democracy and the world community. The opportunity for development of intellectual curiosity, critical thinking, problem-solving abilities, and aesthetic appreciation shall be provided.

These rights and responsibilities provide a uniform standard of conduct, which emphasizes the maintenance of an atmosphere where orderly learning is possible and encouraged. It defines student rights, student responsibilities, disciplinary procedures, and actions to be taken.

### **Equal Educational Opportunities**

Equal educational and extracurricular opportunities shall be available for all students without regard to race, color, religion, creed, national origin, sex, age, gender, sexual orientation, gender identity and expression, ancestry, marital status, military status, citizenship status, culture, social origin or condition, political affiliation, mental, physical or sensory handicap, or by any other distinguishing characteristic and other legally protected categories.

**See: Board Policy: 3000 Equal Educational Opportunities**

### **Right of Expression**

Students enjoy the right of expression as provided by state and federal law. The student may not, by speech or conduct, materially disrupt class work or educational programs, cause substantial disorder or invasion of the rights of others, or substantially interfere with the requirements of appropriate discipline, education programs or other activities in the operation of the school or conduct themselves in a manner inconsistent with the school's and district's educational mission.

The use of vulgar, offensive, lewd or indecent speech or conduct is prohibited in the District.

### **Right to Education and the Right to Participation**

A student is the center of the school and the purpose for which it is operated and maintained. Students have the inherent right to be treated with dignity and respect. A student has the right to a non-disruptive education as provided by law and school board policies. Correspondingly, the student has a responsibility not to deny the right to an education to any other student.

### **Search and Seizure**

School authorities maintain supervision, control and jurisdiction of students who participate in or attend any school activity on or off School District premises. The building principal or designee is authorized to search a student, locker, personal property, (e.g. wallets, purses, pockets, book bags) while on or off school premises, at a school sponsored activity, or while on school transportation in transit to and from a District activity or sponsored activity, or while transit on a school bus or other transportation authorized by the District.

A search may be conducted provided the school authority has reasonable suspicion as to a violation of law, school policy or school rules. School authorities shall confiscate any illegal, unauthorized or contraband items discovered during such inspections. School authorities shall determine appropriate action, including notification of parents, notification of law enforcement authorities and commencement of disciplinary proceedings.

### **Right to Inspect and Review Records: Family Educational Rights and Privacy Act (FERPA) / Notice for Directory Information / Protection of Pupil Rights Amendments (PPRA)**

**Definition:** person is any student, parent, legal guardian, or person with parental authority.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day school receives a request for access.
2. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
3. The right to request the amendment of the student's education records that the parent or

eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask school to amend a record should write the school principal clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or

grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by Helena Public Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

Listed below are disclosures that elementary and secondary schools may make without consent:

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in 34 C.F.R. 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. - To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State- supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))

### **Notice for Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Helena Public Schools with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Helena Public Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Helena Public Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;

- Honor roll or other recognition lists;
- Student directories;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. <sup>1</sup>

If you do not want the Helena Public Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by the third Friday in November. Helena Public Schools have designated the following information as directory information:

Helena Public Schools have developed and adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

Helena Public Schools will directly notify parents via the District web site of these policies at least annually at the start of each school year and after any substantive changes. Helena Public Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Helena Public Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. ### **General School Rules and Information**

#### **Accident Prevention**

School staff will do everything possible to prevent accidents. However, parents/guardians must understand that some activities such as recess play, physical education activities or field trips involve inherent risks to the student regardless of all feasible safety measures that may be taken by the district.

In consideration of your agreement to allow your child to participate in these activities, you agree to accept responsibility for any loss, damage, or injury to your child that occurs during your child's participation in these activities that is not the result of fraud, willful injury to a person or property or the willful or negligent violation of a law by a trustee, employee, or agent of the Helena School District #1.

#### **Alternative Assignment Request**

The Board recognizes the right of an individual parent or guardian to request that his or her child not read a given book, utilize specific curriculum materials or view a particular media work. Therefore, procedures for requesting an alternative assignment for an adopted curriculum assignment must be followed and can be obtained from the building administrator or District Curriculum Administrator.

#### **Annual Asbestos Notification**

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. All Helena School District buildings constructed before the late 1970s contain some level of asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, since as cancer and asbestosis.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Suspected asbestos- containing building materials are located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Helena Public School District has conducted a reinspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last reinspection conducted during September 2020, all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos containing) were inspected and recertified.

The law further requires an asbestos management plan to be in place by July 1989. Helena Public School District has developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of the asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

Since the Fall of 2016 asbestos containing building materials have been removed, encapsulated, or enclosed in the following buildings: Helena High School, Capital High School, C. R. Anderson Middle School, Helena Middle School, Hawthorne Elementary School, Rossiter Elementary School, Four Georgians Elementary School, Warren Elementary School, Broadwater Elementary School, Smith Elementary School, Jefferson Elementary School, Kessler Elementary School.

It is the intention of Helena Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the District Facility office at 1201 Boulder Ave during regular business hours. The Facilities Director is the District's designed asbestos program coordinator, and all inquiries regarding asbestos plan and asbestos-related issues should be directed to the Facilities Director at 324.1720.

### **Appearance and Dress**

Students' dress and grooming must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency.

While matters of dress remain the primary responsibility of students, in consultation with their parents or legal guardians, students are reminded that their appearance significantly affects the way others respond to them.

### **Attendance: Absences, Tardies, & Truancy**

In the event of a student's absence, the parent/guardian should call, send a note, or use electronic communication to notify the school by 8:45 a.m. on the day of the absence. In the event that the school has not been notified of the student's absence, the school will make every attempt to locate the whereabouts of the student including utilizing the automated calling system to notify parents of a child's absence.

### **Behavior Expectations of Students**

Students are expected to conduct themselves within the bounds set by the Board and the administrative regulations

set forth by the Superintendent. Consideration for the rights and well-being of others, cooperation with all members of the school community and respect for oneself and others are the basic principles guiding student behavior.

The primary responsibility for student discipline within the school rests with the Principal. The primary responsibility for the maintenance of discipline within the classroom lies with the individual classroom teacher.

Corporal punishment shall not be used. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Disciplinary action may be taken against any student in violation of the Student Code of Conduct. Disciplinary action may range from conferring with a teacher to expulsion from school. Continued infractions will have a cumulative effect in terms of disciplinary action.

A student is in violation of the Student Code of Conduct if the student engages in any inappropriate behavior, including but not limited to:

- Using, possessing, distributing, purchasing, or selling tobacco or tobacco innovation products;

- Hazing, harassment, intimidation, or bullying, including cyberbullying.
- Forging any signature or making any false entry or attempting to authorize any document used or intended to be used in connection with the operation of a school.

These grounds stated above for disciplinary action apply whenever a student’s conduct is reasonably related to school or school activities, including, but not limited to the circumstances set forth below:

- On, or within sight of, school grounds before, during, or after school hours or at any other time when school is being used by a school group;
- Off school grounds at a school-sponsored activity or event or any activity or event that bears a reasonable relationship to school;
- Travel to and from school or a school activity, function, or event;
- Anywhere if conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member, an interference with school purposes or an educational function, a threat to the safety and welfare of the student population, or conduct that detrimentally effects the climate or efficient operations of the school.

## **Behavior / Conduct Definitions**

**Assault:** Hitting, striking and/or attempting to cause injury to another person; placing a person in reasonable apprehension of imminent physical injury.

**Bullying:** Repeated and systematic intimidation, harassment, and attacks on a student or multiple students, perpetrated by individuals or groups. Bullying includes but is not limited to: physical violence, verbal taunts, name-calling and put-downs, threats, extortion or theft, damaging property, and exclusion from a peer group.

**Disruptive Behavior:** Any act that disrupts the student learning and/or teaching process.

**Hazing:** Any activity that a reasonable person believes would negatively impact the mental or physical health or safety of a student or put the student in a ridiculous, humiliating, stressful or disconcerting position for the purposes of initiation, affiliation, admission, membership or maintenance of membership in any group, class, organization, club or athletic team including, but not limited to, a grade level, student organization or school-sponsored activity. Hazing may occur even when all students involved are willing participants.

## **Bicycles**

Students are allowed to ride bikes to school. Bikes must be in good working condition. Bikes must be placed in the racks and must be correctly chained/locked to the bike rack. Students are expected to wear helmets when riding bikes to school. If your child rides a bike to school, they should dismount and walk the bike once they are on school grounds.

## **Birthday / Party Invitations**

Students may distribute invitations to birthday parties in school provided they are inviting their entire class. If a child wishes to only invite certain friends, families will need to find alternative ways to send invitations to those friends outside of school. Per confidentiality requirement the school's main office and classroom teachers will not release parent contact information to those wishing to send invitations to select classmates.

## **Birthday / Party Treats**

Children may bring birthday / party treats for their classmates, but the treats must be commercially prepared. Please visit with your child's classroom teacher to schedule the best time. Your child's teacher will be able to apprise you of any significant food allergies so that those foods can be avoided (e.g. nuts).

## **Birthday / Party Latex Balloons**

Because of the potential for serious latex-related allergic reactions, as well as the choking hazards associated with latex balloons, only non-latex balloons will be allowed in the school building or on school grounds.

## **Book Challenge**

The Board of Trustees, although it is ultimately responsible for all instructional and library material, recognizes the right of students to free access to many different types of books and resources. The Board also recognizes the right of teachers, librarians and administrators to select books and other materials in accordance with the adopted curriculum, current trends in education, and student and staff needs, and to make them available in schools and libraries.

Therefore, books and other resources will be chosen for value of interest and enlightenment of all students in the school community. A book or other resource will not be excluded because of the race, nationality, political, or

religious values of the writer or of the material's style and language. Every effort will be made to provide materials that present all points of view concerning the international, national, and local problems and issues of our times. Books and other resources of sound factual authority will not be proscribed or removed from library shelves or classrooms because of partisan doctrinal approval or disapproval.

Censorship of books and other materials will be challenged in order to maintain the school's responsibility to provide information and enlightenment. Accordingly, the Board will deal with censorship of books or other materials as follows:

- The final decision on controversial materials rests with the Board after the established process for handling challenged materials has been exhausted/completed.
- The Board recognizes the right of an individual parent or guardian to request that his or her child not have to read a given book or view a particular media work.
- Any parent or person of legal standing who wishes to request reconsideration of the use of any book or resource in the school must make such request in writing on forms provided through building principals or school librarians.

[Administrative Procedure for the enforcement of this policy (2067) may be obtained in the Central Administration building and each school office.]

Every parent/guardian may have a **FREE** lunch and a **FREE** breakfast, with their child(ren) each month during the school year. The School Food Service Program wants to encourage parents to be a part of their student's meals so they can experience the variety of nutritious options available every day to students at school. This offer does not include special events and is not valid on special days like BBQ days or Open Houses.

The School Food Service Program is re-opening the "Pay On-Line Program" for your student's food service account needs. You can go to the web site, [www.mymealtime.com](http://www.mymealtime.com). You will need to set up an account, with the user as yourself (not the student). You will need to know your child(ren)'s student ID number. You will be able to use a credit card to put money into your child's accounts. All additional processing fees still apply at the time of the deposit, and the process will take about 48 hours to get into your child(ren)s account in each school.

**\*\*Applications for free and reduced-priced lunches are available on the school district website\*\* We**

**recommend every family try to qualify through either the one line Free/Reduced meal form, or it is also acceptable to qualify your family through other programs: SNAP, FDPIR, Head Start, WIC, unemployment compensation or TANF or if you are a foster child, homeless, or runaway.**

### **Changes/Free & Reduced Meals**

As we come out of the pandemic, we want to make sure parents understand that meals may have been free for the last two years, but all balances, negative and positive, from before the pandemic is still on your students account. If families have not paid down their balances the last two years, it is possible to start this school year in the negative. If a student had a positive balance before then the same balance is still there.

The District recognizes that students may forget or lose lunch money or may have an unpaid meal account balance. The District endeavors to treat all students with dignity regarding unpaid meal charges; however, unpaid meal charges create a significant financial burden for the District. To ensure that students do not go hungry but also minimize the financial burden, the District shall charge meals and collect on meal account charges in all schools consistent with this policy. Students who are eligible to receive free meals do not have a meal account and, therefore, are not subject to this policy. Free lunch status students may pre-pay for or purchase a la carte items with cash or check.

Parents may restrict their child's ability to charge by sending the school written notice either stating their child cannot charge or limiting the amount their child can charge. However, they will need to send a lunch with their child.

### ***K-12 Students***

Students will pay for meals at the full rate as established by the District in accordance with federal law. Eligible students will pay a reduced rate as established by the District in accordance with federal law. Meals must be pre-paid. Students will be permitted to charge a maximum of \$30.00 once his or her meal account reaches zero. Once a student has charged the maximum number of meals, the student will no longer be permitted to charge and parents will initially be contacted directly by phone or in person by the building principal. The school will offer the student an emergency (regular) meal at the standard rate.

### ***Payment of Meal Account***

Each school shall maintain records regarding student meal balances. The District will send out notices to parents/guardians informing them of low or negative meal account balances. Parents/guardians may also check a student meal account balance online at [mymealtime.com](http://mymealtime.com).

Parents/guardians must submit payment for meal accounts with a credit card or debit card at [mymealtime.com](http://mymealtime.com) OR pay in person with a check or cash at their student's school. Payment must be submitted 30 days from date of notice of deficit balance. If the District has not received payment within 30 days the payment is considered overdue and is a delinquent debt.

#### **Children of Military Families**

It is the intention of the District to remove barriers to educational success imposed on children of military families transitioning to and from school because of frequent moves and/ deployment of a parent on active duty in the regular Armed Forces, National Guard, or Reserves.

In the event that a child of a military family seeks to enroll in the District, the District shall enroll and appropriately place the student as quickly as possible based upon information in the unofficial educational records pending receipt of the official records.

The District shall not charge tuition in relation to a child of a military family transferring into the District who has been placed in the care of a noncustodial parent or other person through a special power of attorney so long as that

noncustodial parent or other person resides within the District.

## **Board Policy: 3022 Children of Military Families**

### **Communicable Diseases**

The School Nurse assists school staff and families in the management of communicable disease.

This is accomplished through classroom education including proper hand washing and respiratory hygiene, newsletter and in-service communications on health updates, and through the management of disease outbreaks in conjunction with local health department staff.

Families are encouraged to consult with their healthcare providers concerning potential communicable disease symptoms in their child, and to communicate with school staff upon diagnosis. The School Nurse is available for consultation and referral and may be contacted through each school office.

The District may deny attendance at school to any child diagnosed as having a communicable disease that could make a child's attendance harmful to the welfare of other students. The District also may deny attendance to a child with suppressed immunity in order to protect the welfare of that child when others in a school have an infectious disease, which, although not normally life threatening, could be life threatening to a child with suppressed immunity.

The Board recognizes that communicable diseases that may afflict students ranging from common childhood diseases, acute and short-term in nature, to chronic, life-threatening diseases such as human immunodeficiency virus (HIV) infection. The District shall rely on advice of school nurses and the public health and medical communities in assessing the risk of transmission of various communicable diseases to determine how best to protect the health of both students and staff.

These communicable diseases include, but are not limited to: Amebiasis, Mumps, Campylobacteriosis, Pinkeye, Chickenpox, Ringworm of the scalp, Diphtheria, Rubella (German Measles), Gastroenteritis, Scabies, Hepatitis, Shigellosis, Influenza, Streptococcal disease, invasive Measles (Rubeola), Tuberculosis, Meningitis, Whooping Cough (Pertussis), and Coronavirus.

## **Board Policy: 3417 Communicable Diseases.**

### **Communication with Families**

Communication between the home and school is an essential part of the elementary program. You are encouraged to contact your child's teacher, principal or any specialist if you have questions, concerns, or compliments about your child's progress in school.

There are a number of ways for parents to receive information about their child's progress and school.

- **Automated Notification System:** The District has implemented a notification system called School Messenger. The system will provide parents with instant communication regarding student attendance, general information notifications, and emergency notifications utilizing voice messages, email and text messaging.
- **Open House** is a time set aside each fall for parents to visit their child's school and meet their child's teachers. This is not a time for individual parent/ teacher conferences but rather a time to meet and greet the school staff and classmates for the coming year.
- **Report Cards** are issued following each twelve-week period. These reports are based on standards and will

inform parents of their child's progress.

- **Parent / Teacher Conferences** provide opportunities for teachers to share information with parents about their child's progress in school. The parent / teacher conference is an important means of reporting to parents and guardians. These conferences are scheduled in the fall and spring of the year. Additional conferences may be held at the request of the parent or teacher anytime during the year. Some teachers conduct Student- Led Parent / Teacher Conferences.
- **Email / Telephone** contact is encouraged. All teachers now have classrooms telephones. Messages can be left during the day. Parents are encouraged to utilize email as well. Please contact your child's teacher and/or principal for their email address and/or phone number.
- **Newsletters** from the principal are sent home with students on a regular basis to provide timely information about school, classroom and district activities. Some school principals email newsletters to parents wishing to receive email rather than paper copies.
- **Parent Council Groups** (also PTA / PTO / PSTA) are established in each school to provide valuable support and service to students and staff. Parents are encouraged to become active members.
- **School District Web Site** at <http://helenaschools.org> provides general information about the District and its programs as well as current news items. Each individual school has a section on the district web site that has information pertaining to that school.
- **Superintendent's Parent Advisory Council** meets monthly at the Lincoln Center. Membership is comprised of a parent representative from each school. If you are interested in participating please notify your child's building principal.
- **Assessment Results** provide parents with an academic indicator of how their child is progressing in school. As part of their learning, students participate in a variety of classroom assessments throughout the school year. In addition to these classroom assessments, students participate in district level assessments that drive instructional decisions.

Students in grades K-1 take the Acadience reading assessment to determine reading abilities.

Students in grades 1-5 take the iReady district benchmark three times a year to determine if they are on track for grade level reading and math. The purpose of these assessments is to use the results to inform instruction to meet the learning needs of the students.

Students in grade two will participate in the CogAT ability test in the spring of the school year. These results provide baseline information on the cognitive ability of students as well as being one of a variety of criteria to determine placement in the district's gifted and talented program.

Students in grades 3-5 will participate in a state assessment each spring called the Smarter Balanced Assessment which measures students' proficiency on grade level standards in Math and English Language Arts. Fifth grade students also take the Montana Science Assessment. These standardized test results provide teachers, principals, and District administration with data to determine the effectiveness of instructional programs.

### **Crosswalks and Sidewalks**

Students learn by example. Please use the crosswalks and sidewalks when you come to school. Adults may save a minute when they jay walk, however, this is a dangerous example for students.

## **Emergency/Safety Drills**

Each of the schools in the Helena School District has developed an emergency plan to help ensure the safety of children in the event of a fire or other disaster, such as an earthquake or a building intruder.

Throughout the school year drills and evacuations are conducted to allow students and staff to familiarize themselves with the school's emergency procedures.

In the event of actual emergency, up-to-date information may be obtained at the District web site: <http://www.helenaschools.org> or by tuning in or following the various information sites below:

- KXLH & KTVH
- KFBB
- KRTV
- MTPR & YPR
- KGR Radio

In compliance with state regulations, fire drills will be held throughout the school year. Specific instructions for the fire drill exits are posted in each room. An annual earthquake drill takes place in October of each school year.

## **Emergency Information**

In case of an emergency, each student is required to have on file at the school office the following information:

- Parent(s) or guardian(s) name(s).
- Complete and up-to-date address information.
- Home phone number and parent work phone numbers.
- Emergency phone numbers of friends or relatives.
- Physician's name and phone number.

## **Enrollment & School Admission**

No pupil will be enrolled in kindergarten whose 5th birthday does not occur on or before September 10 of the school year in which the child registers to enter school. A kindergarten program that is designated as a full-time program must allow a parent, guardian, or other person who is responsible for the enrollment of a child in school, as provided in MCA 20-5-102, to enroll the child half-time.

Students enrolling for the first time at any Helena public school must present a **birth certificate or other reliable proof of identity and age within 40 days**. Additionally, enrolling students must present proof of residence and immunization records. (Note: \*\* Montana State law requires all students to be immunized against Diphtheria, Pertussis (whooping cough), Tetanus, Polio, Measles, and Mumps & Rubella (MMR). Exceptions are allowed for verified religious and medical reasons only.) Proof of immunizations must be provided on or before the first day of school.

Students transferring to the Helena School District will be admitted and placed pursuant to the terms of Board policy. The District will enroll the student and will request the student's records from the previous school district. A final decision regarding grade placement will not be final until records from the previous school are received.

## **Family Night**

The Helena Board of Trustees has designated each Wednesday evening during the school year as Family Night.

The purpose of this evening is to allow students the opportunity to participate in family or community-based youth activities without scheduled conflicts from schools. In order to promote the concept, the Board requires that there be no school-sponsored activities on Wednesday night that last beyond 7:00 p.m.

## **Field Trip**

Your child's class will be participating in educational field trips during the year. It is the policy of Helena School District #1 to acquire parental permission before allowing a student to travel with members of his/her class. ***If you would like your child to participate, please carefully read and sign the "Parent Permission form" available at the back of this handbook or online.***

By signing and checking the yes or no on page 59 you are giving permission for your child to go with his/her class on field trips during the year. Transportation will be provided by the district. If travel by a private car is required for an event, you will be notified prior to the trip.

As a parent or guardian, your signature on the permission form on page 53 indicates that you understand that the school and the staff will do everything possible to prevent any accidents. However, by checking and signing you indicate that you understand that some activities on field trips involve inherent risks to students, regardless of all feasible safety measures that may be taken by the district. In consideration of the district's agreement to allow your child to participate in field trips you agree to accept responsibility for any loss, damage, or injury to your child that occurs during your child's participation in a field trip that is not the result of fraud, willful injury to a person or property or the willful or negligent violation of a law by a trustee, employee or agent of the Helena School District#1.

In the event it becomes necessary for the district staff in charge to obtain emergency care for your child, neither he/she or the school district assumes financial liability for the expenses incurred because of an accident, injury, illness and/or unforeseen circumstance.

If your child has a medical condition, which the school should be aware of before allowing your child to participate on a field trip, you must notify the school and inform them of the nature of the medical condition.

In the event that unforeseen circumstances arise creating a need for you to contact your student or to have information relayed to you about an emergency, change in itinerary, etc. an information network has been established. You will be provided with a contact person and number prior to the field trip.

Parents who wish to assist in chaperoning a field trip may volunteer by contacting the teacher of the class or the building principal. Due to a variety of factors (e.g. participant restrictions at field trip sites, space, etc.) additional family members or friends may not accompany a volunteer chaperone on field trips. All children participating in field trips must ride district provided transportation to and from the field trip site. Exceptions can be made by the building administrator 24 hours in advance. Exceptions can be made by the building admin 24 hours in advance.

## **First Aid**

There are facilities in each school for a student to rest if he/she is not feeling well. If your child does not feel well enough to return to class in a short time, you will be contacted to pick up your child from school. It is important that the school is kept informed of your current local phone numbers and where you can be contacted.

Procedures for administering first aid within the school system have been formulated by the district's School Nurses. Very minor injuries will be taken care of by trained school personnel or by the School Nurse. Parents will be contacted and requested to take over the responsibility for any care that goes beyond "first aid." It is imperative that the school has emergency phone numbers in case the parent cannot be reached.

### **Health Services and Immunizations**

A team of registered, professional school nurses travel between schools as assigned. They are available to students, families and staff for questions, concerns, and information regarding health and safety in the school setting.

**Students who have health concerns during the day are to advise their respective teachers who in turn may refer them to the school nurse/health office.**

If a child has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form (HES 103) should be completed and attached to the Certificate of immunization Form (HES-101). If the pupil has received at least one or more doses of the required vaccine(s), he/she can conditionally attend until the next dose is due. In order to remain in school, the pupil must continue to receive all remaining doses as specified on the conditional form. If the pupil fails to complete the immunization(s) within the time period indicated, they must either qualify for and claim an exemption or be excluded immediately from school by the school administrator or that person's designee.

### **Communicable Diseases**

The School Nurse assists school staff and families in the management of communicable disease.

This is accomplished through classroom education including proper hand washing and respiratory hygiene, newsletter and in-service communications on health updates, and through the management of disease outbreaks in conjunction with local health department staff.

Families are encouraged to consult with their healthcare providers concerning potential communicable disease symptoms in their child, and to communicate with school staff upon diagnosis. The School Nurse is available for consultation and referral and may be contacted through each school office.

To protect children from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of a student with a communicable or contagious disease should phone the school nurse or principal.

### **Medication Policy and Procedures**

#### **Medication Policy**

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parents believe that it is necessary for the student to take a medication during school hours, the health care provider and parent must request that the school dispense the medication to the student and otherwise follow the District's procedures on dispensing medication.

The Board will permit administration of medication to students in schools. An authorized individual may administer medication to any student in the school or may delegate this task pursuant to Montana law.

#### **Administration of Medication**

In special cases the school nurse, doctor, and parents may agree on a plan for administration of medication during school hours. The parent shall request from the pharmacy a duplicate labeled bottle of the medication if it is deemed necessary that it be taken during school hours. One bottle will be kept at school under the care of school authorities. Both bottles shall contain the name and telephone number of the pharmacy, the student's name and date of birth, the name of the prescribing physician, and the name and dosage of the drug to be given.

An updated medication pharmacy labeled bottle may be used in lieu of a new HCP prescription per school nurse's discretion

4. Self-Administration of Emergency Medications

Students with asthma, severe allergies or anaphylaxis may possess and self-administer emergency medication; epinephrine auto-injector, oral antihistamine, or asthma inhaler during the school day, during field trips, during school-sponsored events, or while on a school bus as prescribed by a licensed health care provider.

Documentation that the student has demonstrated to the health care provider and the school nurse, if available, the skill level necessary to self-administer the asthma, severe allergy, or anaphylaxis medication as prescribed.

Documentation that the student's health care provider has formulated a written treatment plan for managing asthma, severe allergies, or anaphylaxis episodes of the student and for medication use, as prescribed, by the student during school hours.

### **Allergies**

The Helena School District takes measures to decrease exposure to allergens. However, we encourage parents of children with life threatening allergies to contact the School Nurse prior to the beginning of the school year to develop a plan.

### **Head Lice**

Head lice are wingless insects about the size of a sesame seed. They cannot fly, jump or swim. They are passed from person to person from direct head to head contact or, very rarely, by "hitching a ride" on a comb, brush or hat. While they are an anxiety-producing nuisance they do not carry disease. Students with head lice or nits (louse eggs) will not be excluded from school as unnecessary absences directly affects school performance and a child's opportunity to learn.

If a parent or staff member believes a student has lice, they can contact the School Nurse who will arrange a time to assess the student privately. If live lice or nits are found, the student's parents will be contacted with information about effective treatment options. The student may remain at school until the end of the day.

Classroom wide screenings will not be done as studies indicate that it does not decrease the incidence of head lice, is disruptive to the learning process, and a violation of privacy and confidentiality of the student and their family.

Helena Public School nurses educate students regarding lice and how to avoid transmission by decreasing head-to-head contact and not sharing hats, combs, brushes, or hair accessories. Parents can help by routinely inspecting their child's hair for lice. If you are unsure of this process, how to identify a louse, or how to treat an infestation please contact your School Nurse.

For a step-by-step guide for managing head lice at home, refer to: <https://identify.us.com/idmybug/head-lice/head-lice-documents/lice-mgmnt-chart-home.pdf>

## **Health Screenings**

**Hearing** - School Nurses and School Speech and Language Pathologists will screen students in grades K, 1, and 9 using an audiometer. Students in other grades may be screened upon referral or if they have a monitor status. The regional Audiologist will consult with the School Nurses regarding referrals and further management.

**Vision** – School Nurses will screen students in grades K, 1, 3, 5, 8, students new to Helena School District without screening documentation, students who are referred, and students who are being monitored.

**Oral Health** – Students in grades 1 and 3 are screened by local dentists who volunteer to provide a visual inspection. The School Nurse coordinates the program in each elementary school.

*\*\*Methods for screening may include checklists, observations, and formal instruments as indicated\*\**

*\*\*Parents are notified of any unusual performance or failed screening. Students may be referred for further evaluation by a health care provider.\*\**

Topics taught in the lesson for girls are limited to:

- When to expect puberty to begin

- The physical and emotional changes that come with puberty
- The maturation of the male reproductive system
- Common experiences of puberty, including voice changes, feelings of physical awkwardness, and nocturnal emissions
- The importance of good hygiene, healthy habits, and sleep
- The benefits of maintaining health through good nutrition and exercise

Instruction materials will be made available to review prior to the lessons.

## **Lost and Found**

Each school has a lost and found area. Throughout the year a large amount of hats, coats and gloves are often accumulated. If your child has lost an article of clothing, please ask him/her to check the lost and found area in the school office or to speak with his/her teacher. Lost and found items, which are not picked up, will be periodically donated to local charities. **Please remember write your child's name in their belongings so items that are left/lost can be returned to your child.**

## **Montana Department of Justice Violent & Sexual Offenders Registry**

The Montana Department of Justice maintains a Sexual or Violent Offenders Registry that can be reviewed online at (<http://www.doj.mt.gov/svor/>). This website provides the last known residences for these individuals and supplemental information regarding the nature and dates of the crime(s) that caused them to be listed in this registry.

While the district does not track or monitor the individuals that may reside in the vicinity of schools or bus stops, it is our intent to make you aware that this registry information is available to the public. The Montana Department of Justice also provides on-line guidance and educational materials for both Parents and Educators on their website and we encourage parents and guardians to review this information and familiarize themselves with the resources that are available to help address these situations.

## **Nonresident Student Attendance Procedures**

Parents or guardians of any student who is seeking to enroll in the Helena Public Schools and who currently resides outside of the Helena Public Schools attendance area and/or is attending school in another District must complete a "K-12 Out-of-District Transfer Request" form. The form is available from all schools and the Assistant Superintendent's Office at the Lincoln Center.

Upon receipt of the form and the requested records the Assistant Superintendent or designee will review the student's attendance, academic standing, behavior, etc. and approve or deny the request based upon the student's standing. Students who are not in good standing with their current district may not be accepted.

Boundary lines set by the Board of Trustees shall be observed unless an exception is granted through guidelines established by the Superintendent.

Approved transfer requests carry the following conditions:

1. The parent/guardian must provide transportation to and from school.
2. The District will determine the placement of any out-of-district student accepted for enrollment.
3. Out-of-District transfers will be subject to review each year in order to ensure that all students and policies are being met.
4. The District reserves the right to have students return to the school of residence if overcrowding results in the receiving school or there is need to balance enrollments.
5. The student who transfers is subject to the eligibility policies established by the Montana High School Association (grades 9-12 only).
6. A student requesting a transfer from outside the Helena School District must be in good standing in their current school. The criteria include, academic standing, behavior, attendance, etc.
7. Tuition fees will be applied based on Board Policy.

## **Outdoor Recess**

Outdoor recess is an important part of the elementary student's day. The much needed fresh air adds to student success in the classroom. Students need to dress appropriately for outdoor recess. During the winter months students should bring gloves or mittens, hats, snow boots and layered clothing in addition to a warm, winter coat. Students will go outside for recess when the temperature is above zero. Students will also go outside in light rain and/or snow and should be dressed for this type of weather. Schools do not send students outdoors in extreme temperatures, such as below-zero weather with the wind-chill factor taken into account. Also, if the county informs schools of "poor air quality," this factor is considered in regard to outside activities.

If a student is ill, home is the best place for him/her to be. We realize that, from time to time, students are not sick enough to stay home, but are too sick to go outdoors.

Unfortunately, we are not equipped or staffed to supervise students indoors at recess time. Because of this, we ask that, if a student is to be kept in at recess because of illness, parents should send a note each day the request is in effect up to a total of three consecutive days. If after three days the parent still requests that the student stay in, the parent should provide a written statement from a physician stating the reason the child should be excluded from outdoor activities.

### **Parent Portal: Automated Notification System Opt Out**

The Federal Communications Commission requires the Helena School District to allow you to opt out of receiving outreach messages to you via our automated system, School Messenger. Outreach messages can include information about schedule changes, school events, parent reminders, cancelled activities, and other non-emergency messages. The District wants to keep you informed in multiple ways. Our system allows us to send messages to you through different mediums – phone calls, texts, emails – regarding important school information. If you do not want to receive non-emergency messages from School Messenger please copy and complete the form below and return it to your school office. You will still continue to receive emergency calls even if you do not consent. You can also revoke your consent to receive messages from our system at any time by contacting your child's school office.

### **Parent Volunteers**

Parent volunteers are encouraged to take an active part in their child's school. Volunteers work as tutors, mentors, special event organizers, Parent council members, guest speakers, classroom assistants, playground monitors, and much more! Whatever your talents, whatever your interests, your school welcomes your time and support. If you are interested in volunteering you can contact your school principal or fill out the Volunteer Registration Form available either in this handbook or online at <http://helenaschools.org>. A Volunteer Application Form is included in this handbook. If you are interested in volunteering, please complete the form and return it to your child's school. Volunteers who will be working with students and who aren't under the direct supervision of a District employee must undergo a background check. ## **Playground Safety**

All Helena Public Elementary Schools want to provide a safe playground experience for all students. To do so playgrounds are supervised by school staff during recesses and before and after school.

Commonly understood and implemented rules are essential to helping make sure everyone is safe. Custodians are trained to recognize and reduce equipment and surface hazards. Principals, teachers and paraprofessionals are knowledgeable about appropriate activities for the available school playground space and equipment.

Please review the safety rules below with your child. Playground equipment varies by school, but the general safety rules below apply to all playground activities.

### ***General School Playground Safety Rules***

1. Always play safe by being careful and showing kindness and respect for others.
2. Never run around or push and pull others while near playground equipment. Keep your hands and feet to yourself.
3. Don't go too close to the front or rear of moving equipment like swings; instead, walk out around moving equipment.
4. Wear proper clothing. Make sure your shoes are tied and wear clothes that can't get tangled up in playground equipment.
5. When you get off equipment make sure there isn't anyone in the way. If you jump, always bend your knees slightly and land on two feet.
6. Be careful when playing on equipment that may be wet.
7. If it is a very warm day make sure the playground equipment is not too hot to use – like the slide.
8. Take turns and get in a line when more than one person wants to use a piece of equipment. When you share everyone gets a turn. No holding places or cutting in line.
9. Sit properly on equipment and do not overcrowd. If a piece of equipment has a handrail, make sure you hold it at all times.
10. Be sure to ask a playground paraeducator for help if there is a problem or someone is hurt.
11. Listen to and respect the teachers on duty. Follow their directions the first-time directions are given.
12. Leave extra clothes and items you don't need in a designated spot away from the playground equipment.
13. Always make sure the adult on the playground knows if you are going inside before the bell rings.
14. After the bell rings, if you are on the school playground, pick up your belongings and any small equipment you were using. Line up and walk inside the school quietly after you receive directions from the teachers on duty.
15. Leave snow on the ground.

### ***Slides***

1. Keep your shoes tied and don't wear any loose strings or clothing on the slide.
2. Be patient and wait your turn in line before getting on the slide ladder.
3. Take one step at a time and hold the handrails with both hands when climbing the ladder to the top of the slide. Never climb or run up the slide surface or the frame.
4. Slide down feet first and sitting up, never head first or on your back, knees or stomach. Go down one at a time with no fancy tricks.
5. Check the bottom of the slide to see if it is clear before sliding down. When you reach the bottom, get off and move away from the end of the slide.
6. On hot days, feel the slide with your hand before climbing to the top. If the side is too warm, don't play on it.

### ***Swings***

1. Always sit in the center of the swing; don't stand or kneel. Hold the chains tightly with both hands. Stop the swing completely before getting off.
2. No jumping out of swings, no twisting chains or swinging sideways. Do not swing empty seats!
3. Never double up with two kids to a swing or try to swing too high.
4. Don't push other children on swings. If you cannot start swinging, ask an adult to push you softly to get you started.
5. Stay a safe distance from other children on swings being careful not to run or walk in front, in back or between them. Walk out around instead.

### ***Climbing Equipment***

1. Hands stay well behind the person in front of you and beware of swinging feet. Never reach for bars or ropes that are too far away.
2. When you drop from the bars or ropes make sure you have enough room to not hit the equipment and hurt yourself. Bend your knees, land on both feet and don't touch others.
3. Don't overcrowd the equipment. Everyone starts from one side and moves in the same direction. When climbing down watch out for those climbing up.
4. Always stay in line, take turns, and never push or try to touch others.

### ***Small Equipment – (balls, skipping ropes, hoops, etc.)***

1. Use this equipment in a designated space away from the large equipment.
2. Be careful using this equipment so that you don't interfere with others. Be sure to stay in the designated play space.
3. When you share a ball with others, be sure to take turns and play safely. No rough play allowed!
4. If you are using a ball and it goes outside the play area, ask an adult (teacher) for permission to get it

### **Policy Dealing with School Overcrowding**

**District Placement Grades K- 5:** The district will strive to equalize classroom enrollments based on the state standards established by the Office of Public Instruction and the guidelines established by the Helena Board of Trustees. When a parent seeks to enroll a child in a grade level that has reached maximum enrollment allowed under state/district guidelines at any east side elementary school (Bryant, Central, Jefferson, Smith, Warren), the district will determine the placement of the student in a different east side elementary school based on space availability. Transportation will be provided for students to the new school of attendance when they are eligible according to district policy.

When a parent seeks to enroll a child in a grade level that has reached maximum enrollment allowed under state/district guidelines at any west side elementary school (Jim Darcy, Four Georgians, Rossiter, Broadwater, Hawthorne, Kessler), the district will determine the placement of the student either on the west side or east side depending on space availability. Transportation will be provided for students to the new school of attendance when they are eligible according to district policy.

Remember, in the event that the grade level you are seeking to enroll your child in is at maximum capacity the District will locate a classroom in another school that has capacity and will provide transportation.

**Parent Choice Grades K- 5:** The district will allow parents living within the east side elementary attendance area to request enrollment of their child in any of the east side elementary schools, depending on space availability based on state/district standards. Transportation of the student is not the district's responsibility.

The district will allow parents living within the west side elementary attendance area to request enrollment of their child in any of the east or west side elementary schools, depending on space availability based on state/district

standards. Transportation of the student is not the district's responsibility.

**Out-of-District Parent Choice Grades K- 5:** The placement of out-of-district K-5 students who enroll in the Helena Public Schools will be made to east side elementary schools, depending on space availability based on state/district standards. Transportation of the student is not the district's responsibility.

Students attending a school on either an in-district or out-of-district Parent Choice request must adhere to all school rules and attendance requirements. The District reserves the right to have students return to the school of residence if school rules and attendance requirements are not met.

**District Programs Grades K-5:** Parents, who enroll a child in a district program which is not provided at all elementary schools, will be permitted to enroll any siblings in that school. Transportation will be provided to students who attend district programs when they are eligible according to district policy. Students in district programs will be allowed to enroll in the middle and high school of their choice.

### **Public Health Emergency**

In the event of a declared public health emergency as determined by the Board of Trustees or a public health service the Board authorizes the Superintendent to take appropriate action to protect the health and safety of all students, staff, and visitors to include but not limited to closure of school buildings, implementation of infection control measures, and other appropriate safety actions.

The Superintendent will communicate with parents, citizens, and other stakeholders about the actions to be implemented per this policy.

**Board Policy: 7061 Public Health Emergency**

### **Saturday School**

In emergencies, including during reasonable efforts of the trustees to make up aggregate hours of instruction lost during a declaration of emergency by the trustees under Section 20-9-806, MCA, pupil instruction may be conducted on a Saturday when it is approved by the trustees.

Pupil instruction may be held on a Saturday at the discretion of a school district for the purpose of providing additional pupil instruction beyond the minimum aggregate hours of instruction required in Section 20-1-301, MCA, provided student attendance is voluntary.

The District's Transportation Department strives to provide safe, reliable and professional transportation services to its students. The primary mode of transportation offered is on school busses that are operated by First Student, a private vendor under a contract managed by the District's Transportation Department. This section of the Student Handbook is designed to provide an overview and reference information for the bus services offered. For information regarding bus behavior conduct guidelines and consequences please refer to the section of the handbook entitled "Student Responsibility and Codes of Conduct – Section 9.0". Do not hesitate to contact the District's Transportation Department if you have questions or require additional information. Our contact information is:

In case of severe weather or other emergencies, official information about school closings will be broadcast on the local radio stations. Information will also be posted on the district web site (<https://helenaschools.org/>), the Transportation department's webpage <https://helenaschools.org/departments/transportation/>, Facebook page (<https://www.facebook.com/HSD1Transportation/>), via School Messenger and via the Parent Portal app.

### ***Guest Pass***

Students who are not registered riders may ride a bus with a registered bus student as a guest. Students will need to get a 1-day pass from the school of their attendance. Students must have a note from a guardian that states who they will be riding with, the bus number and the location of the bus stop. The note must be verified by the school and signed off by the principal or designated school official. Students who do not follow the guest pass procedures will not be allowed to ride the school bus.

### ***Bus Routes, Stops and Schedules***

The bus stops are created with safety taking precedence over convenience. Bus routes are developed with safety and efficiency as top priorities. Roads must be county or city maintained for busses to traverse them. The district recognizes the travel time on buses extends the day for students. The district strives to minimize the time students must ride the bus. Transfer buses are used to minimize ride times for students given the geographic locations and numbers of school sites the district operates. Bus routes, stops and schedules are approved by the Lewis and Clark County Transportation Committee in June of each year.

Students are recommended to be at the bus stops 5 minutes prior to the scheduled time of arrival. Buses can arrive up to 2 minutes prior to their scheduled-pickup time. If the bus does not arrive as scheduled (up to 15 minutes late), please call the First Student dispatcher at 227-7400. Afternoon routes may arrive early at their designated stop due to a wide range of circumstances; Monday early outs, lack of student loads, district early releases, etc. The individual students, and their parents, are responsible for the student's behavior and conduct until the student has boarded or departed the bus.

### ***Parent Portal Program***

1. Parents may register for a free application to track the location of their student's bus. This application allows parents to see if their bus is running on time.
2. All bus students will be asked to carry a bus card. This card will inform parents when their students bus stop was picked up, via push notification message.
3. If parents have any questions about Parent Portal, they should contact the Helena Public Schools Transportation Office.

### ***Parent Pickup Program***

Parents of kindergarten and first grade students are asked by the Helena Public Schools Transportation Department to request an escort for their student(s). The program was created to ensure the safe delivery of our most vulnerable student population. A parent or guardian is required to submit an escort form if their

kindergarten or first grade students' must be accompanied by an adult off the bus. An example of a designated individual would be a grandparent, an older brother or sister, a neighbor, etc. Kindergarten and first grade students who have opt-in to the program and are not met at their bus stop will be delivered back to the nearest school site SACC program. Parents will be contacted for pickup locations. The opt-in permission form is available online at <https://helenaschools.org/departments/transportation/parent-portal/> or it can be submitted manually via email or

regular mail.

### ***Transportation of School Related and Non-School Related Items***

Contraband, weapons, flammable liquids, animals or other dangerous, objectionable or non-school related items shall not be transported on a school bus. School related items transported on the bus shall be small enough to be transported on the student's lap, adjacent seat or under the seat of the bus. School related items that would block exit isles or extend above the back of the seat will not be transported on the school bus. If you are unsure if an item is allowed, please contact the Transportation Department prior to the day your child plans on transporting the material or object.

### ***Bus Behavior Conduct Guidelines and Consequences***

Each transported student has the right to a safe and enjoyable ride to and from school that is free from intimidation, threat or harassment. Good conduct of all transported students while waiting for the school bus and while traveling to and from school is primary for a safe and enjoyable ride for all students. The district has a video that explains transportation safe riding practices that may be viewed on the Helena School District Transportation website or will be made available upon request.

The School District has established student behavior procedures that apply to all transported students while on the school bus and while in school bus loading or unloading areas. The bus and the bus stop are extensions of the school day. Each individual student, as well as his/her parents, or guardians, is responsible for the behavior of that student while on the school bus and in school bus loading or unloading areas.

Transportation service is a privilege that is granted by the district to eligible students and their parents or guardians that is contingent upon proper behavior according to established district policies, rules and standards. A student's eligibility to ride the school bus may be suspended or revoked for a violation of school bus safety or conduct rules and standards, or for violation of any other law or policy governing student conduct on a school bus. Revocation of a student's bus riding privileges is not considered an exclusion, expulsion or suspension from school, however unacceptable conduct on the school bus may result in suspension or expulsion from school. It shall be the responsibility of the parent or guardian to transport students to and from school when bus riding privileges are revoked. The district will not provide alternative transportation to a student whose transportation privileges have been suspended or revoked. (\*Decisions regarding special education students will take into account related disabilities and individual education requirements pertaining to transportation).

Suspension or expulsion from school may also result in suspension from district sponsored transportation services.

It is important to note that students may also be suspended or expelled from riding any district sponsored transportation services for conduct violations occurring on school district busses even if they are still being allowed to attend school.

### ***Corrective Disciplinary Action***

**Minimum Corrective Action:** Driver identifies the unacceptable behavior and informs the student of the intent to complete a conduct report if the behavior continues.

**Maximum Corrective Action:** Unlimited transportation services suspension, school suspension, expulsion, and/or police notification.

### ***Bus Seatbelt Procedures***

It is the goal of the Helena Public Schools Transportation Dept. to provide the safest student transportation system available. The District requires that all students riding the school district buses comply with statelaw regarding the use of seatbelts. Students 6 years old or younger that are less than 60 pounds are required to utilize child seats and

wear 5 point safety harnesses. Students who may require assistance in using seatbelts should ask the bus driver for help so that all students are safely belted in their seat before the bus is put in motion. Drivers will announce prior to the bus leaving that each student needs to be in their assigned seat and seatbelts fastened. Students refusing to use seatbelts in a legal and safe manner will be subject to school district disciplinary actions. Repeated refusal to wear seatbelts will result in suspended riding privileges from the bus.

### ***Helena Public Schools Transportation Video and Audio***

All buses are equipped with audio and video capabilities. The school district will only retain approximately 2 weeks audio and video storage history. The Helena School District does not guarantee the working operation of the surveillance system and therefore cannot guarantee the storage of up to 2 weeks of surveillance storage. Individuals who would like to view information pertaining to their child should make an appointment with the School District Transportation Department. Copies of bus video will not be released except under the request of court ordered subpoena.

### ***Transportation Questions***

Parents having any questions or requiring additional information are encouraged to contact the Helena School District Transportation Department at 324-2100.

### **School Safety**

The personal safety of its students is of great importance to the Helena Public Schools. Thus, every possible consideration will be taken to manage and enhance conditions within the schools so that each student can feel secure, safe and unthreatened. To this end, standard safety precautions will be taken in all arenas of the school program and school facility.

### **Service Animals**

The District complies with all state and federal laws, regulations, and rules regarding the use of service animals by students, staff, or community members when the service animal is required because the individual has a disability and the service animal is individually trained to do work or perform tasks for the benefit of that individual.

Please contact the school office or the District Administration Office for more information and / or procedure related to the use of service animals in schools.

**See Board Policy: 4035 Service Animals.**

### **Student Discipline**

Students are expected to conduct themselves within the bounds set by the Board and the administrative regulations set forth by the Superintendent. Consideration for the rights and wellbeing of others, cooperation with all members of the school community and respect for oneself and others are the basic principles guiding student behavior.

The primary responsibility for student discipline within the school rests with the principal. The primary responsibility for the maintenance of discipline within the classroom lies with the individual classroom teacher. Corporal punishment shall not be used. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Disciplinary action may be taken against any student in violation of the Student Code of Conduct. Disciplinary action may range from conferring with a teacher to expulsion from school. Continued infractions will have a

cumulative effect in terms of disciplinary action.

These grounds stated below for disciplinary action apply whenever a student's conduct is reasonably related to school or school activities, including, but not limited to the circumstances set forth below:

- On, or within sight of, school grounds before, during, or after school hours or at any other time when school is being used by a school group;

#### **Student Insurance**

Neither the Helena School District, nor individual schools, provide accident or medical insurance coverage for students. Insurance coverage for students is made available through a private company for a minimum fee. If you do not have insurance, this is an excellent opportunity to obtain low cost coverage while your child is at school.

Insurance information is distributed at the beginning of the school year. Please review the information carefully, consider the benefits of such coverage, and complete the application as per instructions.

#### **Threat Assessment Protocol**

The safety of all students and staff is a priority for the Helena Public Schools. A threat assessment protocol has been designed for use with students who are engaged in situations that are determined to suggest harmful or dangerous behavior. Parents will be informed and involved throughout the process.

The following objectives are key components of the process:

- Identify and assess threats to determine the level of concern and action required.
- Administer a formal screener if the threat is determined to be viable.
- Organize resources and strategies to manage situations that involve students that pose threats to other students, the staff and/or the community.
- Maintain a culture of safety among students, teachers and parents and foster a learning environment that is free from harmful or dangerous behavior.

#### **Tuition**

The Helena School District Board of Trustees establishes tuition rates for non-resident students. These rates impact students who do not reside within the Helena School District boundaries but who wish to attend school in the Helena School District.

All tuition payments must be paid at the Helena School District Business Office located at 1325 Poplar St., between 8:00 a.m. and 4:00 p.m., Monday through Friday. Payment of tuition is due on or before the first day of attendance.

Questions regarding tuition may be directed to the District Business Manager at 324-2040.

## **Visitor Procedure**

### ***General Guidance***

In the past several years national attention surrounding school tragedies has raised our level of concern for the safety of our students. However, at the same time, we are encouraging parents and other volunteers to come into our buildings and work in our classrooms and other learning spaces. As a safety measure, we are asking that ALL visitors to the building stop at the office and make your presence known to staff. You will be issued an identification badge when you check in.

Please note the following:

- If you are picking up a student before school is dismissed please come to the office and ask the office staff to call the child from his/her classroom. Please do not go directly to the classroom.
- Each morning all outside doors will be locked except the main entrance. Parents and others must enter through the main entrance.
- We are teaching students not to open locked doors for anyone during the school day. Please help us by using the main entrance doors even at dismissal.
- It will be our practice to question anyone in our school that we do not know.

### ***Student Procedures***

Students who want to have out-of-town visitors (school age students) accompany them to school must have prior permission from the building principal.

Students who are not regularly enrolled in school are not permitted to visit or join classes during school hours except when a written request has been submitted to the principal and the principal authorizes the visit.

### ***Volunteer Procedures***

Volunteers are asked to stop in the office and sign the “Volunteer Sign-In” book and obtain an identification badge. The sign-in book information helps us keep track of time donated to the school.

### ***Pet Procedures***

Students who wish to bring a pet to school must have prior permission from the building principal. All pets that visit the school must be up-to-date on all required vaccinations.

## **Weapons**

### ***Gun Free Schools***

The Board will follow federal law for any student who uses, possesses, controls, or transfers a firearm on school property. The Board hereby authorizes the Superintendent to modify the disciplinary action on a case-by-case basis, including eliminating the requirement for expulsion.

The administrator may immediately suspend a student if, prior to a hearing, there is cause to believe the student brought a firearm to school or possessed a firearm at school. In the case of a firearm violation the student may be expelled if the trustees find that the student knowingly brought a firearm to school or possessed a firearm at school.

### ***Possession of a Weapon in a School Building***

The District will refer to law enforcement any person who possesses, carries, or stores a weapon in a school building, except as provided below. For the purposes of this section only, “school building” means all buildings

owned or leased by the District that are used for instruction or for student activities; "weapon" means any type of firearm, a knife with a blade 4 or more inches in length, a sword, a straight razor, a throwing star, nun-chucks, brass or other metal knuckles, or any other article or instrument possessed with the purpose to commit a criminal offense. The Board may grant persons advance permission to possess, carry, or store a weapon in a school building. All persons who wish to possess, carry, or store a weapon in a school building must request permission of the Board at a regular meeting. The Board has sole discretion in deciding whether to allow a person to possess, carry, or store a weapon in a school building.

## **Kindergarten Entry Requirements**

Montana State law states a child must be five years old on or before September 10 of the current school year in which they enter Kindergarten. A **birth certificate** is required at the time of registration as is a **record of completed immunizations**. Physical and dental examinations are recommended for children entering the Helena Schools for the first time, as well as students entering seventh grade. Health forms, available in the doctor's office, should be completed and presented to the school at the time of registration.

A kindergarten program that is designated as a full-time program must allow a parent, guardian, or other person who is responsible for the enrollment of a child in school, as provided in MCA 20-5-102, to enroll the child half-time.

## **Libraries**

The library is an integral part of the educational program of each elementary student. School Libraries are staffed by certified professional librarians who provide instruction in information research skills and serve as a resource person for the educational program. In each library, circulation procedures follow standard library practices.

All school library collections are accessible via the District web site at the following address:

[https://hsd1.follettdestiny.com/common/welcome.jsp?context=saas32\\_2532340](https://hsd1.follettdestiny.com/common/welcome.jsp?context=saas32_2532340) .

## **Multi Linguistic Learners**

Helena Public Schools has the responsibility under federal law to serve students who have limited English and need English instructional services. The District will ensure opportunities are provided for parents to meet with building principals and teachers, provide information how parents can be involved in their child's education, and how parents can help their child attain English proficiency and succeed in school. The District works hard to provide information to parents in a format and language that they can understand.

Each year, within 30 days of the start of the school year or the student's enrollment if after the start, the District will notify parents of a student identified as limited English proficient of the reasons their child has so been identified, the child's level of English proficiency and how it was assessed, the methods of instruction used in its programs and others, how its program will help their child, and when the child is expected to gain English proficiency.

The District will provide notice to parents of limited English students when the child fails to make progress on annual achievement objectives within 30 days of learning of such status.

Parents seeking more information about the District's identification of and programs for students with limited English proficiency should contact Kaitlyn Hess at 406-324-2027.

## **Montessori Program**

The Montessori Program is provided as an alternative instructional delivery model for students in grades one to five enrolled in the boundaries of the Helena Public Schools. The Montessori curriculum is an instructional program that is designed to "follow the child". To allow each child to develop emotionally, intellectually, and physically at

the child's own pace, the Montessori classroom is organized to provide freedom of movement and selection of activities. Within a framework of respect for the rights of others, the child learns to take responsibility for his/her own actions and learning. The teacher's job is to observe the child, to prepare the environment to meet each child's needs, to guide the child in the use of learning materials, and to be a positive role model in interpersonal relationships. Parents are strongly encouraged to participate extensively in a support system both within and outside of the classroom.

Montessori classrooms are located at Broadwater, Central and Smith Schools. Selection for enrollment in the Montessori Program is determined by lottery drawing. The lottery is held annually in the spring to determine first grade enrollment. Waiting lists are also maintained for parents interested in Montessori enrollment in grades two, three and four.

## **Student Assessment**

Student assessment is recognized as a fundamental approach to providing information about individual differences, scholastic aptitude, readiness, interests, and achievement as well as curriculum development and program evaluation.

Under the federal Every Student Succeeds Act (ESSA), each school is required to teach a rigorous curriculum aligned to the state academic standards and ensure a high-quality education for all students through a system of assessment and accountability. The results of both district and state assessments inform instructional decisions at the classroom and building level. Ongoing classroom assessments are also utilized to further inform instructional decisions.

Our schools administer the following District benchmark assessments:

**Acadience** is a reading assessment for students in kindergarten and first grade. The assessment is given three times a year and identifies specific areas to improve student's reading ability.

**CogAT** is given to students in grade 2 each March, to provide baseline information on student's cognitive ability as well as to screen student for Helena Public Schools' Gifted and Talented program

**iReady** is a criterion-based assessment given to students in grade 1 (math only), and grades 2-5 (Math and Reading) that includes diagnostic assessments given three times a year to identify student's areas of improvement as well as regular progress monitoring between benchmarks that determine if the instructional programming is on target for filling gaps in student learning.

Our schools administer the following State standardized assessments:

**Smarter Balanced Assessment (SBAC)** is given to students in grades 3-8 in the areas of ELA and Math. This assessment is given each year in the spring and is used in classroom and building decisions as well as district programs and state accountability.

**Montana Science Assessment (MSA)** is given each year in grades 5 and 8. It is the general science assessment for academic state achievement reporting in Grades 5 and 8. The MSA is aligned to Montana Content Standards (2016) in Science. It is used to provide state, district, school, and individual student achievement information on the state-adopted content standards in science

**College Board ACT (ACT)** is given to all 11th graders. The ACT serves as Montana's statewide high school assessment under the Every Student Succeeds Act (ESSA) as well as a National College Admission Exam that tests areas of English, Math, Reading, Science and Writing. This is a great opportunity for students to take a college entrance exam, at no cost, during the school day.

The results of these assessments inform instructional decisions at the classroom, building, and district level. Ongoing classroom assessments are also utilized to further inform instructional decisions

## **Student Support: Multi-Disciplinary Team Model**

The Helena Public Schools provide a comprehensive student support program which includes proactive, preventative, and developmental lessons, while promoting a positive climate and environment for learning. Partnerships between support team members, students, families, educators, and the community benefit the well-being of each student in the following ways:

- Supports personal/social, academic, and career development to increase student success;
- Ensures equitable access to educational opportunities and school and community resources;
- Promotes and increases collaboration between teachers and the support team to ensure student needs and

- educational goals are being met;
- Enhances student transition to middle school.

## **Title I**

Title I is a federally funded aid program for elementary and secondary schools reauthorized under the Elementary and Secondary Education Act, as amended (ESEA). Title I funds are used to pay for extra educational services for children who are behind in school and at risk of not being successful learners. The purpose of Title I is to help at risk students meet the states' challenging academic standards. The following schools will offer Title One services in Helena Public Schools for the 2022-2023 school year: Broadwater Elementary, Bryant Elementary, Central Elementary, Smith Elementary, Rossiter Elementary, Kessler Elementary, and Warren Elementary. The District's Title One allocations are determined by the socio- economic status of its students, which is based on Free/Reduced lunch participation.

In School-wide Title I programs, all students in the school are eligible to receive Title I services, and select students are provided additional services based on need. All Title I schools in Helena are School- Wide programs.

We invite you to visit our Title I schools and classrooms. If your child attends a Title I school, please consider getting involved with parent and family engagement activities. We also want to encourage you to volunteer in your child's school. If you wish to be a volunteer, you may complete the Volunteer Registration included in this handbook, or it is available online at <http://www.helenaschools.org>.

## **Helena School District #1 2022-2023**

### **Technology Use Agreement for Students in Grades K-5**

Helena School District #1 uses voice, data, and video electronic communication systems, including but not limited to devices, networks, servers, and hosted services, that allow educational opportunities for students and staff to communicate, collaborate, learn, and publish information. These system resources must be used to support education and/or research, and all student use must adhere to the educational goals and objectives of the district. Communications using the district systems are not private. Systems support and maintenance may require review and inspection of network activity, to include but not limited to student files and email.

21st Century Learning Skills require that students collaborate, think critically, communicate, create and innovate. There are many technological tools that support the development of 21st century skills (e.g., blogs, wikis, social networking sites, etc.). The district supports the use of these tools to enhance and enrich the learning and teaching environment. These tools must be used in support of education and not interfere with other student use of the systems.

### **Internet Filtering Statement:**

- Laptop: Core i3, 128GB SSD, 8GB RAM, 13” screen size, camera, Windows/MacOS
- iPad: current iPad or iPad Pro, 32GB storage, 9.7” display, iPad OS 13 Additionally, devices must have the

following free software installed at all times:

- Microsoft Office 365 (Outlook, Word, Excel, PowerPoint, OneNote) <http://helenaschools.org/wp-content/uploads/2015/01/Student-Office-365-Installation-Guide.pdf>
- Microsoft Teams <https://teams.microsoft.com/uswe-01/downloads>
- Google Chrome (Web Browser) <https://www.google.com/chrome/>

All devices must be able to connect to wifi networks, including HSD networks (HSD-Guest). Parents and students must sign and return the Chromebook Use Agreement (page 1) each fall.

- Student devices and chargers will be collected following 8<sup>th</sup> grade and 12<sup>th</sup> grade. Any student who transfers out of HSD will be required to return their device and charger. If a device and/or charger are not returned, the parent/guardian will be held responsible for payment in full. If payment is not received, the parent/guardian will be turned over to a collection agency.

The protective shell of the Chromebook only provides basic protection from everyday use. It is not designed to prevent damage from drops or abusive handling. We recommend a protective case be used when transporting the device. Cases are included for all devices provided by the Helena Public Schools.

All students are required to take their device home each night throughout the school year for charging. **DEVICES MUST BE BROUGHT TO SCHOOL EACH DAY IN A FULLY CHARGED CONDITION.** Chromebook batteries are designed to last throughout the day under average use. In the event that a device’s battery is fully discharged at school, the student will be responsible for completing work with paper and pencil and transferring this work to a digital format as necessary outside of the school day.

District Chromebooks can be identified in the following ways:

- Service tag and serial number
- Individual’s account username or device name

***Under no circumstances are students to modify, remove, or destroy service tag labels. Parents/Students will be charged for full replacement cost of a device if the service tag is modified, removed, or destroyed.***

#### **Accidental Damage or Loss Protection Details (only necessary for Elementary if we go digital)**

Helena Public Schools recommends the purchase of accidental damage protection prior to the deployment of the Chromebook to your student. Helena Public Schools will be the sole provider of this protection.

Under this accidental damage protection plan, the Chromebook is protected against accidental damage or loss due to an act of nature. The Helena Public Schools will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by board policy.

This protection plan does not cover loss of the Chromebook and/or its accessories, cosmetic damage, or damage caused by intentional misuse and abuse. The Helena Public Schools will assess the Chromebook damage and repair or replace the device if the damage is determined to be accidental and within the protection guidelines.

The device should not be disassembled, nor should there be any attempt to repair it by anyone other than a school authorized vendor. The Helena Public Schools has the right to decide when a Chromebook should be repaired in house versus filing a claim with the manufacturer.

Students and parents will be charged for Chromebook damage that is a result of misuse or abusive handling. Parents will be billed for parts and labor. ***Parents/Students will be charged for full replacement cost of a device that has been damaged beyond repair due to intentional misuse or abuse.***

Loaner Chromebooks may be issued to students when their Chromebooks are sent out for repair by the Technology Department. If repair is needed due to malicious damage, the school may refuse to provide a loaner Chromebook.
